Body aging, childbirth and menopause can lead to pelvic floor issues. A typical treatment gives you 11,800 perfect kegel exercises in 28 minutes.

WHAT DOES THE PROCEDURE FEEL LIKE? IS IT PAINFUL?

You will only experience a slight tingling and pelvic floor muscle contractions during the procedure. You may resume daily activities immediately after the treatment.

HOW FAST WILL I SEE RESULTS?

You may observe improvement after a single session. The results will typically continue to improve over the next few weeks.
